AFTER OLD SPAIN

Design for Residence for Minister
Cooper.

PATTERNED AFTER OLD MISSIONS

Comfort First Consider-
ation; Style Second.

Happy Blending of Essentials—Will
be Handsomest Residence
in Suburbs.

One of the handsomest residences on
the outskirts of Honolulu is the one
now under construction in Manoa Val-
ley for Minister H. E. Cooper. The lo-

minutes with the verdict of not guilty,
two dissenting. Judge Perry had re-
turned home for his dinner when the
jury retired, thinking, of course, that
the members would take about two
hours. He was surprised by a tele-
phone message, and hastened down to
the court room to hear the verdict. It
was 6:30 p. m. when this was turned in.

Offered to Pay.

In one of the afternoon papers of
Thursday there was an article referring
to a certain Lieutenant on the U. S. S.
Marion, and stating that he ran into
and demolished an old lady's wheel
while riding along with a young society
girl; also, that he refused to pay dam-
ages.

It is learned that the officer, instead
of refusing to pay, said that he was
perfectly willing to put up the requi-
site amount of cash in the event of a
reasonable demand for damages. To
back this statement, he left money in
the hands of Wm. A. Henshall, attor-
ney, who is waiting for a claim to be
sent in by the old lady or the physician
concerned in the matter.

be dispatched from here tomorrow to
re-enforce those already in the field.

Senator George Deas,
JACKSON, Miss., August 14.—A tele-
gram received this afternoon from
Mississippi City, the Gulf coast sum-
mer resort, announces the death of
United States Senator James Z.
George at 2 p. m. Senator George jour-
neyed from his home at Carrollton to
the Gulf about 10 days ago and hoped
the change would benefit him, and it
was thought that it had until the news
came today of the relapse. For months
the Senator had been suffering with
a weak heart, due to his advanced age
and accelerated by years of hard and
constant work.

Reciprocity With France.
WASHINGTON, August 16.—Since
the new tariff act went into operation
negotiations have been in progress be-
tween the Secretary of State and the
French Ambassador here, looking to
the formulation of a new agreement
between the two countries on the basis
of reciprocal tariff concessions under
the authority conferred by section 3
of the tariff act. It has been finally
agreed that Secretary Sherman, As-
sistant Secretary Howell of the Treasury
Department and the French Ambassa-
dor shall join in a conference on the
subject in the near future, and it is
fully expected that a new and satisfac-
tory agreement will be reached.

INSTRUCTION BY MAIL.
How the Cosmopolitan University
Will be Carried on.

ST. PAUL, Minn., August 14.—John
Brisben Walker spoke freely today
about the university which he is to
found and of which Dr. Andrews, lately
president of Brown University, is to
be the first executive. The university
is to be entitled the Cosmopolitan Uni-
versity, and work will be commenced
in October. The work is to be carried
on entirely on the Chautauque corre-
spondence plan. Dr. Andrews has al-
ready begun work, appointing the fol-
lowing members of the advisory board
of 10: Spencer Trask, the well-known
banker of New York; President McAl-
lister of the Drexel Institute, Philadel-
phia; Albert Shaw, American editor of
the Review of Reviews; Gen. Thomas
Thomas, a prominent railroad man, and
George F. Seward, president of the Fi-
delity and Casualty Company of New
York. A feature will be that there will
be no payment of fees of any kind on
the part of the students.

TO SHUT OUT ANARCHISTS.
The Sort of Immigration to Be
Discouraged.

WASHINGTON, August 13.—Com-
missioner Powderly of the Immigration
Bureau has sent the following letter of
instructions to immigration officials at
New York, Boston, Philadelphia, Bal-
timore and Quebec relative to the an-
ticipated arrival in this country of
Spanish anarchists:

"Information has reached this bu-
reau that one Pinaas, a leader of the
Spanish anarchists, has been expelled
from France, being conducted to Havre,
from which port it is expected he will
sail to the United States. I am also
advised that Tarrida Marmol, another
Spanish anarchist, is believed to have
gone to England, and probably is en
route to this country. A careful inspec-
tion should be made of arriving pas-
sengers, in order that should any of
this class be detected a careful exami-
nation can be had as to their right of
admission into the United States under
existing laws.

RESIDENCE OF MINISTER COOPER, MANOA VALLEY.

cation selected by Minister Cooper is
an exceptional one in many respects.
Located on a knoll at an elevation
high enough to command an uninter-
rupted view of everything in the val-
ley, it has also the advantage of being
at a point where the delightful trade
winds will make every day in the year
cool and pleasant for the occupants.
The designs are by Ripley & Dickey,
from suggestions by the owner, who
obtained his ideas in Southern Cali-
fornia, where there are many Mexican
mansions, and the new residence of the
Minister will follow in general detail
the same style, the principal difference
being in the roof, which will be shing-
led instead of tiled.

The bed rooms are very large, and
with the dining and music rooms con-
stitute the principal feature of the in-
terior. The makai side of the house and
a portion of the Ewa side will have a
broad veranda, entrance to which is
had through archways. The dimensions
of the makai veranda are 15x65 feet,
almost sufficient to be called a lanai.
The whole dimensions of the building
are 68x100. In the center will be an
open court, the various rooms opening
on to a wide veranda, which surrounds
the court. The main house is on the
right wing, which will have five large
bed rooms with bath and dressing
rooms adjoining.

On one end of the building there will
be a second story, divided into rooms
for lounging, and one for billiard ta-
bles. Long, sloping windows in the ga-
ble roof will admit light and air into
these apartments.
The grounds surrounding the build-
ing will be laid out by a landscape
gardener and planted in tropical plants.
The center of the court will contain
a circular lawn and beautiful fountain.
The stone for the building will be
taken from a quarry on the Minister's
land and about 300 yards from the
dwelling. The house is designed with
a view to the comforts of the occupants.
Minister Cooper has an excellent sup-
ply of water from a well on the pre-
mises. This is forced over the lot by
means of a geared aeromotor. Addition-
al pipes will be laid, so that the en-
tire grounds may be irrigated.

Minister Cooper was one of the fortune-
ate ones who purchased Manoa prop-
erty long ago, before the boom. He
has a tract of 75 acres adjoining the
Manoa property. The demand for su-
ban house lots in that vicinity is
so great just now that the property has
grown very valuable.

Gandall Not Guilty.

At 5:45 p. m. yesterday the jury in
the Boyd-Gandall breach-of-promise
suit retired and returned again in 10

Nuuanu avenue, near School street, and
that a number of ladies had been badly
frightened by coming upon him sud-
denly lying in the shadows.
Lieutenant Needham and another of-
ficer were sent up and found the man
to be an old Portuguese. He was lying
fast asleep on a couple of bags con-
taining his clothes, and to all intents
and purposes was perfectly comforta-
ble. He was aroused, and when asked
some questions, seemed in a dazed con-
dition. He was hardly able to get into
the police wagon, being so weak and
stiff. At the Police Station, he was
given a cell in which to sleep over
night. His case will be reported to the
Portuguese Commissioner today.

MORE OPIUM.

Lieut. Kekai Arrests Chin Wo,
Chinese Laundryman.

Early last evening Lieutenant Kekai
arrested Chin Wo, a Chinese laun-
dryman, doing business on King street,
in the vicinity of the depot, on the
charge of unlawful possession of opium.
A hornful of opium and a smoking
outfit were captured. Upon arrival at
the Police Station, Chin Wo showed a
certificate entitling him to use opium,
but if he thought he would forthwith
be released, he was mistaken, for the
officers thought best to hold him to see
how much opium he was allowed to use.

A case of a similar nature came up in
the Police Court on Thursday after-
noon, in which the three defendants,
Chinamen caught in the Kwong Lee
Yuen building, were charged with un-
lawful possession of opium. One of the
number exhibited a certificate, show-
ing that he is entitled to use opium,
but, seeing that Chillingworth and
Vida had found a whole tin full of
opium in the room where they were
not to say anything about the smaller
quantities in horns. Judge Wilcox
found the possessor of the certificate
and his associates guilty and fined
them \$100 and costs each. Appeals
have been noted.

It is said by a Kaula school teacher
that he went without sleep for 43 con-
secutive days and nights, during a
recent period of great mental anxiety.

The bands of the Philadelphia and
Bennington play at the same hour each
evening.
